

## Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: I feel that all the counselors are doing a great job with helping us all. ASAP has helped me so much and was the one place I could talk about my feelings not caring what anyone would say.

Parent: I'm thankful for this help she received here as well as the family. You've guided us to the right "place" to keep healing & recovering. You also called us (parents) out and that was much needed & where we need to approve. [REDACTED] is so proud of this graduation.
