

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: I felt the group really helped me overcome my addiction to weed. I enjoyed the activities we did and the counselors were really great. Having a group that was supportive really helped and it was an enjoyable experience.

Parent: The ASAP program was a great support system and educational resource. As a parent I felt the counselors were straight forward, knowledgeable and maintained effective, compassionate support with the clients and parents. I truly believe my son benefited physically, emotionally, spiritually, & can go forward with skills to help him stay sober.
Thank you
