As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: Compared to the other outpatient programs
I've been in this one was much better

Parent: I felt the program really addressed
the problems that the kids are facing.
It gave them tools to take with them.
It taught us all something... better
communication skills, better understanding...
Just a very good program. Thank you to
