

Feedback Form

As you leave the ASAP Program please provide us your feedback regarding our program. Your feedback will allow us to maintain our effectiveness and improve where needed:

Client: Asap is the right program
For teens. It has had such a positive
impact on my life, and has changed
me in so many ways for the better. ASAP
was amazing for me, I got the
right feedback and direction to help me
stay clean and live a sober life. Thank
You for giving all you gave to help
me. I love having happiness back.

Parent: The ASAP program has been
such a positive experience, and
critical step towards sobriety for
our son. He has learned a great
deal and has seen through his and
other's experiences, how drugs
can destroy your happiness, and your
chance at a successful future.
We are grateful to all of the staff
who have shown such an interest
in his sobriety. Thank You!
